Graduation Ceremony 2021-2022!

On the evening of June 25th, 2022, the British International School hosted the graduation of the BISK KG2- and grades 6, 8 and 12 students.

We were honoured by the presence of our esteemed VIP guest, Mr. Rizgar Taib the chairman of ARN holding, and Mr. Dilshad Taib, the CEO of BISK, Mr. Jabar Jamal, adviser to the Minister of Education, Mr. Fazil Mirani and Mr. Rebaz Hamlan. With deep gratitude, we acknowledge the importance of the support from these VIP guests. BISK would not be (arguably) the best school in Kurdistan had it not been for these outstanding individuals.

Mr. Nasir, proud Director of BISK, delivered a heart-warming speech, congratulating the graduates and stressing all the accreditations BISK holds and that we are the only Pearson accredited school in Kurdistan.

Mr. Nasir's speech was followed by a speech in Kurdish by Mr. Jabar Jamal, bringing the students and staff the importance of achieving good marks in Kurdish studies to ensure an overall passing grade.

Staff members of BISK performed an outstanding, emotional drama about the history of the Kurdish flag. Every audience member was touched by this portrayal, which once again proved the fantastic talent found amongst the BISK staff.

The adorable, excited KG students had their graduation ceremony and cute dance performance, with many parents sitting with chests swelling with pride.

Our outstanding grade 6 graduates then had their diploma ceremony, followed by a song and dance activity. The “Little Flower Seller” performance had the audience in awe; well done!

Ali, BISK Student Council, delivered his speech, highlight-

ing events during the 2021/2022 academic year and all the special memories the grade 12 students will hold close to their hearts for many years to come.

The highlight of the evening was the graduation ceremony of our beloved grade 12 students. Excited faces counted down the seconds and threw their graduation caps in the air, bidding their final farewell to their school career at BISK. They enjoyed the last dance together as BISK graduates. Congratulations! We couldn't be prouder of the class of 2022!

BISK- KG2 Graduation Ceremony

The BISK pupils who completed KG2 received their diplomas at the White Hall on Saturday, June 25th. Seeing the little ones wearing the caps and gowns with big smiles on their beautiful faces while their parents looked on with joy and pride was spectacular! This event, on the part of BISK, was genuinely creative and an excellent way to boost the morale and spirit of our little ones. The BISK students performed a fantastic dance show; proud and happy faces could be seen everywhere in the audience. Mr Nasir thanked all the parents for their continuous involvement

and assistance; BISK would not have been able to achieve the best for our students without the support of our parents. Our amazing parents and devoted teachers worked closely together to ensure the students master all required academic skills, including fine motor skills, music, PE, and art, so they can be equipped and ready to start first grade in September 2022. Congratulations on your graduation, dear KG2 students, and enjoy the summer break!

On Saturday, June 25th, the grade 6 BISK students received preferential treatment at the BISK Graduation Ceremony held at the White Hall. More than 30 grade 6 students graduated. Mr Jabar Jamal, the adviser to the Min-

ister of Education, presented the diplomas to these grade 6 graduates. Our grade 6 students entertained the audience with a song and music to celebrate the exciting new stage in their school career that they are about to enter.
